**Dennis Edmonds**  
Chief Executive Officer

Mr Edmonds qualified as a lawyer in South Africa, where he established his own law firm before moving to the UK, qualifying as a solicitor and working as an equity partner in a UK law firm. Since ceasing to practice law in 2000, he has had a successful career in private equity and at board level, as both an executive and non-executive director in several public and private companies, including as chairman of Pathfinder Minerals PLC, and non-executive director of Tectonic Gold plc. His expertise lies in structuring transactions and successfully negotiating to achieve their conclusion.

**Gerard Kisbey-Green**  
Non-Executive Chairman

Mr. Kisbey-Green, a qualified Mining Engineer, has over 36 years' experience in the mining and related financial industry. His 19 years of mining experience include managing large and small mines and projects in various parts of the world, primarily in Africa, has covered a large diversity of commodities and ranging from exploration to mine closure. Mr. Kisbey-Green has also held various board positions, both executive and non-executive, in private and public companies. He has 17 years of resource banking experience including a period in equity analysis as well as a corporate financier for major banks in Johannesburg and London including JPMorgan, Investec, and Standard Bank.

**Geoff Eyre**  
Non-Executive Director

Mr. Eyre is an experienced finance professional with more than 17 years of experience holding senior positions with companies in the mining industry including producing assets, exploration and development stage companies and private equity investment funds. Most recently, Mr. Eyre was the CFO of Adriatic Metals plc (ASX: ADT, LSE:ADT1) during which time Adriatic secured a financing package for the construction of its polymetallic mine in Bosnia & Herzegovina comprising US\$102 million of equity and US\$142.5 million project finance facility with Orion Mine Finance

**Peter Wilson**  
Non-Executive Director

Mr Wilson has over 42 years of experience in the international mining and mining contract industry and has held senior management positions including General Manager, Director and Chief Operating Officer at a number of mine operating and contracting companies. During his career, he has worked in multiple jurisdictions including Australia, New Zealand, India, and Africa, and he has experience across a range of commodities including coking coal, heavy mineral sands and metalliferous mining. More recently, Mr Wilson was engaged as a consultant on a Heavy Mineral Sands project in Namaqualand, South Africa, and is currently Operations Director at Mine2Port Limited, a Singaporean company with interests in coking coal, rail and port logistics projects in Africa and the United States of America.
